Hey, it's party time!!!! Plans are underway for the Milwaukee Radio Amateurs' Club Christmas Dinner Party that will be held on December 14, 1989, at the Tanner-Paull Restaurant and Lounge, 6922 W. Orchard St. (70th and Orchard) West Allis. The Christmas Party has been the time we traditionally honor the Old-Timers in MRAC. Some of us have achieved the honored status of Old-Timer. Some of us are new licensees, and just starting out to be Old-Timers. The party is not limited to club members. It is open to all, members and non-members, amateurs and non-amateurs.

The menu is as follows:

Carved Roast Round of Beef
Lightly Breaded Fried Chicken
Real Mashed Potatoes - Oven Browns
Select Vegetables
Relish Tray
Cole Slaw
Assorted Jello Molds
Ambrosia Fruit Salad
Dinner Rolls with Whipped Butter
Coffee - Tea - Milk

6922 W. Orchard Street

The price is \$10.00 per person, and includes food, free beer, soda, tax and tip. Cash bar for mixed drinks. For your convenience, there is a reservation blank attached to the bottom of the Chatter. We also need donations for door prizes. They need not be radio related.

Kelly Schaefer, N9HBN, the club's PR chairman has come up with some pretty good rough sketches for a club logo. He needs help from some one with artistic talent and graphics experience to come up with an appropriate logo that can be used on caps, jackets and such. Kelly can be reached at 355-1357.

MRAC will have tables at the 31-91 Friendly Fest on November 4, 1989, at the Serb Hall, 51st and Oklahoma Ave. If you want to put anything on the tables, please label (notice the spelling, Bill) your "baby" with your name and the price. Also include an envelope, with your name on it, for the green stamps when it is sold.

The MRAC-VEC will be conducting license exams on the first Wednesday of every month at Wauwatosa East High School, 74th and Milwaukee Ave. at 7:00PM. Please bring TWO (2) photocopies of your current license, your current license and another form of ID. The fee is \$4.75. Walk-ins accepted. For any more info call Jack Krause, W9JK at 414-774-6999.

Thanks, Ed Wille, W9PWG, for a fine presentation on trouble shooting with a heat sensor at the October MRAC meeting. Ed showed that you don't always have to be an electronic genius to repair equipment. Great job, Ed.
